Supporting Seniors
Because of your kindness, we were able to feed 50,000 hard-working families and children last year — people who would otherwise go to bed hungry without your support. On behalf of the Storehouse New Mexico, thank you so much for your commitment to our mission.

Your impact is best explained through the eyes of people we feed. “Jane”* is a spunky sixty-something woman with piercing blue eyes and a knowing smile. She has two children and a brother with whom she is close. She speaks candidly about her life, pausing to remark at how we are not that different from one another.

“We all have our challenges in life. Everybody struggles sometimes.”

Jane graduated from college with a degree in nutrition and worked for UNM as a clerical assistant. After retirement, her health worsened and she developed diabetes. Social security and retirement just didn’t cut it. She had to choose between rent and food; medical bills and something to eat. “I was the working poor,” she says thoughtfully.

Jane chose hope and came to the Storehouse. She has been coming for about two years now. “For everybody who needs it, I’m glad it’s here. I’m certainly thankful.”

She ends her story with a hopeful sigh. “It’s a blessing. It truly is.” Jane feels content that she has come to the right place to get what she needs.

“Thank you for giving people like Jane and her family hope and the promise of a better day. From the bottom of my heart, thank you for what you do and who you are.

Sincerely,

Anthony Montoya
Executive Director

ON THE Move WITH THE
STOREHOUSE MOBILE NEIGHBORHOOD PANTRY

Last year, we surveyed over 600 Storehouse clients and found that transportation was among the biggest barriers hungry families faced in accessing food. As a result, the first Storehouse Mobile Neighborhood Pantry was developed to better serve the community.

In partnership with the Sandia Foundation, the first Storehouse Mobile Neighborhood Pantry successfully kicked off in November 2016. It is held at the Westside Community Center on the first Saturday of each month.

The Storehouse Mobile Neighborhood Pantry helps us reach people in their own neighborhood and lessens the transportation troubles many of our clients face.

Each mobile pantry is able to provide 150-200 people with 26-30 meals per person each month. Focused on health and nutrition, meals are well-balanced, with 30% comprised of fresh fruits and vegetables. Our Mobile Pantry is set up like a pop-up market and operates on a client-choice model, which is a national best practice for food distribution. This helps eliminate food waste and empowers clients to make their own food choices. It is also helpful for people who have food allergies or health conditions that restrict their diets.

One the days the Mobile Pantry becomes the service location, our fixed pantry site on Broadway is closed. Operation hours, closures, and Mobile Pantry locations can be found on the Storehouse Facebook page and at www.TheStorehouseABQ.org.

Even more Mobile Pantry locations are planned and being implemented through the kindness of supporters like you.
THE STOREHOUSE WOULD NOT BE ABLE TO FEED HUNGRY FAMILIES WITHOUT GENEROUS SUPPORT FROM OUR INDIVIDUAL DONORS

We rely heavily on individual gifts, which make up 42% of the donations received by the Storehouse. Individual support to the Storehouse matches the national average for charitable giving.

All of the funding the Storehouse receives benefits our immediate community and local families. For every dollar donated, we can provide 5 meals. Over the last year, the Storehouse provided nearly 1.4 million meals to individuals, families, children, and seniors who rely on us for food.

According to the U.S. Census, there are approximately two million people living in the New Mexico, and more than one in five lives in poverty. It is the second poorest state in the country. A majority of people who come to the Storehouse are families with children and the working poor—those who make too much to qualify for benefits, but not enough to cover basic needs.

Many local children and families worry about where they will find their next meal. Sometimes an unexpected illness or car repair or other unplanned circumstance may find people choosing between household bills and putting food on the table. Many of our seniors rely on the Storehouse to help stretch their budgets when their retirement money begins to dwindle or when medical costs increase. Without the Storehouse, thousands more would go hungry.

Along with our fixed pantry site, the new Storehouse Mobile Neighborhood Pantry is helping the Storehouse to expand our service area to better serve those in need. With your help, we can continue to feed the hungry in our state and ensure the Storehouse can meet the needs of the people who count on us to provide healthy food when they need it most.

In addition to providing food, we also offer other services to improve the health and well-being of the people we support.

**NUTRITION EDUCATION**

The Storehouse offers healthy food education through two programs. **Share Our Strength’s Cooking Matters** and **NMSU’s Ideas for Cooking and Nutrition (ICAN)** help clients read labels to choose better food and cook healthy meals.

**FEEDING PETS IN NEED**

The Pet Food Pantry provides healthy pet food for families who cannot afford it otherwise. In partnership with VCA Animal Hospitals, we are happy to help families hold onto and feed the pets they love.

**ENERGY SAVING**

The Storehouse partners with PNM to offer the **PNM Easy Savings Program** to income-qualified customers who get an energy savings kit, which helps them save money around their home.

**LOW INCOME WATER CREDIT**

Assistance with paying water utilities is available to those who own their home, are current on their water bill, and meet income guidelines. The Storehouse works in cooperation with the Albuquerque Bernalillo County Water Authority’s Low Income Water Credit (LIC) program.

**CONNECTING CLIENTS TO BENEFITS**

Adelante’s **Benefits Connection Center** offers a free service to help New Mexicans connect to public assistance programs. They do outreach at the Storehouse to find out if people are eligible for benefits and assist people with enrollment.

**FREE ASSISTIVE EQUIPMENT**

In partnership with Adelante’s Back in Use program, the Storehouse helps to provide medical and adaptive equipment to people with disabilities and seniors.
HOST A FOOD DRIVE
This is a great way for local businesses, religious organizations, and service clubs to support the Storehouse. Food donations from people like you provide over 1.4 million meals a year. Call us at (505)842-6491 to arrange for bin delivery or pickup.

TOUR THE STOREHOUSE
Schedule a tour of New Mexico’s largest food pantry. Come and see firsthand how we serve 50,000 people a year and learn about the ways you can join us in fighting hunger in New Mexico. Call us at (505)449-4463 for more information.

VOLUNTEER AT THE STOREHOUSE
The benefits of volunteering at the Storehouse are priceless. We always need assistance stocking food or helping clients choose their items. We would love to see your happy face at the pantry. If you or your group would like to volunteer, visit our website at www.TheStorehouseABQ.org.
